

Author/Artist: Swervedriver
Song: Behind the scenes of the sounds and the times
Tabbed by: Marcos Burian(AKA Buriol_Scrawl in the forum), buriol@yahoo.com

Okay, here's my humble interpretation of this great tune. Standard tuning here folks.

intro(listen to the song for timing)

```
-----|  
-----|  
-2-2-2-2-2-|  
-2-2-2-2-2-|  
-0-0-0-0-0-|  
-0-0-0-0-0-|
```

pre-verse stuff:

```
-----|-----  
-----12/14-12-12-12-----|-----  
-13-13-11---x--x--x--x--x--14--13-x-13-| -11-x-11--13-11-9--9-9-9--  
-x--x--x---9/-11-9--9--9--x--x--x-x--| -x--x-x--x--x--x--x-x-x--  
-11-11-9-----12--11-x-11-| -9--x-9---11-9--7--7-7-7--  
-----|-----  
-----x-----
```

Keep playing this until you come to this part:

```
-----|  
-----|  
--7-7-7-7---9-9-9-9--9b--7-7-7-7---9-9-9-9--9b-|  
--7-7-7-7---9-9-9-9--9b--7-7-7-7---9-9-9-9--9b-|  
--5-5-5-5---7-7-7-7--7b--5-5-5-5---7-7-7-7--7b-|  
-----|
```

Then do this little riff a few times:

```
-----  
-----  
-----  
-9h11-9-11-9-9-11-----  
-0-0--0-0--0-0-0-----  
-----
```

Then repeat the whole thing until the end of the pre verse, when you play this

```
-----  
-----15-14-12-----  
--9h11p9h11/13-----9h11p9h11/13--14-13-11-----  
-----  
-----  
-----
```

little riff before verses

I don't know what chords are played during the verse, so I just play these chords, following the vocals. Any help here would be great. :)

```

-----|
-----|
-13-14-13-13-11-14-14--|
-x--x--x--x--x--x--x--|
-11-12-11-11-9--12-12--|
-----|

```

"go take a walk in the sun..."

```

-----|
-----|
-14-16-16-14-16-14-14-12-14-|
-----|
-12-14-14-12-14-12-12-10-12-|
-----|

```

"go take the weight off everyone..."

```

-----|
-----|
-14-16-16-15-15-15-16----|
-----|
-12-14-14-13-13-13-14----|
-----|

```

"it takes the weight to see..."

```

-----|
-----|
-13-14-13--11--9--9--|
-----|
-11-12-11--9---7--7--|
-----|

```

"that it's all bad advice to me.."

```

-----|
-----|
-14-13---11--9-9-----|
-----|
-12-11---9---7-7-----|
-----|

```

"and it's all bad advice to me"

Keep following this melody until the verse ends on this high E chord:

```

-0-----|
-0-----|
-9-----|
-9-----|
-7-----|
-0-----|

```

Then hit the chorus: (pick the timing off the song)

```

-----0-0--|-----|
-----0-0--|-----|
--6--4--2/4-4--2-4--4-4--|-----9-7b-----|

```

```

--6--4--2/4-4--2-4---4-4--|-7h9p7-----
--4--2--0/2-2--0-2---2-2--|-----
-----|-----

```

end of first chorus

Repeat the verse riff, this time hit the high E chord twice, then go back to the chorus, but don't play that last bit. Do this nifty little riff:

```

--12-12-12--12\\-----
--15-14-12--10\\-----
-----
-----
-----
-----

```

Keep adding noise to the riff(I play all other open strings) as it grows back to the intro, and the pre-verse part again. It ends on:

```

-----
-----15-14-12-----
--9h11p9h11/13-----
-----
-----
-----

```

And that's it.
